History

OF OUR SCHOOL

The members of Nellai Nadar Mahamai Paripalana Sangam desired to serve the society and the country at large through education, and they started an educational institution Nellai Nadar Matriculation Higher Secondary School in June 1985 at Kottivakkam, The genuine ambition of this institution is to mould the children into worthy citizens of our motherland. With this aim, our sangam started this school, not for making profit but for giving the best education possible with minimum financial strain on parents with its

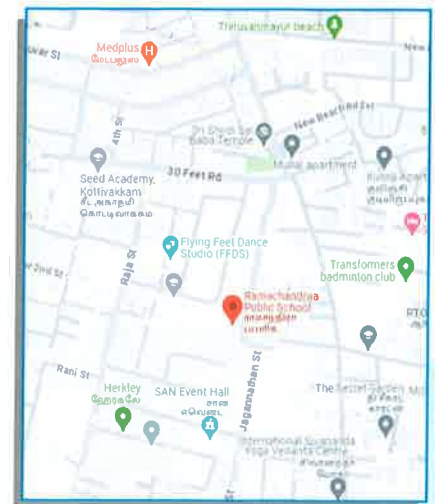

progress in the field of education for over three decades, Ramachandras Public School, following CBSE curriculum was started from the academic year, 2015 - 2016

Location

Ramachandras Public School is situated in a calm and peaceful location on the shores of the Bay of Bengal. It is just 2 km from Thiruvannamiyur bus terminus

MANAGEMENT

Ramachandras Public School' is managed by Nellai-Thoothukudi Nadar Mahamai Paripalana Sangam, Egmore. It functions purely with the service motto "A high quality Education". So that, the trust is a registered corporate body formed by a group of merchants, educationists administrators, industrialists with adequate managerial, expertise, financial resources, and deep sense of commitment towards of the cause of education.

THE SPIRIT BEHIND RAMACHANDRAA PUBLIC SCHOOL

The aim of education is not merely the acquisition of information. Instead, it is the spirit of devotion for the enlightenment of man and the society. The ultimate aim is to groom future citizens who will be very much committed, competent and confident. "Ramachandrapublic School" strives to inculcate a national perspective and an international vision among the students. So that, they develop global awareness to become fruitful citizens, free from the prejudices of colour, creed, language, and imbibe the spirit of service to the society. The school is indeed, one of the vital institution which supports the edifice of humankind.

CLASSEGE

Our teachers are the driving force behind all our endeavours. Responsibility, dedication, fondness, guidance and efficiency, are the hallmarks of our teachers. Parents and teachers are like a shaft of sunlight and water for a plant, both are vital for a growing child. Hence, interaction and constant association of both are crucial. To achieve this, we have a regular Parent - Teacher Meeting (PTM) to facilitate the interaction between teachers and parents regarding the performance and progress of the child.

ORGANISATION AND ADMINISTRATION

The organisation and administration is guided by well-defined principles. The office of the governing board governs the administration of the school. The Principal takes charge on the academic and administrative process of the school. The office takes responsibility of the campus needs, security, transportation system and maintenance.

COMPUTER LAB

Computer lab for students of VI to XII to invest their time in learning programming and to improve basic computer skills. 40 students can use the lab effectively with python installed for senior secondary students. We have introduced Artificial Intelligence as skill subject for classes from VI to XII std.

This lab provides practice in an entertaining and interactive way to acquire 4 main skills : Listening, speaking, reading and writing.

The lab provides technical tools for students to learn the basic skills of English language.

CHEMISTRY LAB

Chemistry lab offers resources for learning practical skills. Students experience to collaborate effectively to develop practical skills taught in the classroom.

PHYSICS LAB

Physics lab is well designed for students of VI to XII to enhance their learning by understanding the practical concepts. Students learn to use the tools and conventions in science.

We have math lab to explore concepts and verify mathematical theorems with various activities and techniques. The activities help students to visualise and generalise observed patterns.

Well developed biology lab to enrich the quality of learning. Students gain first hands on experience in observation for advanced study and research.

Audio visual studio provides state-of-the-art images setting the tone for digital learning. Through audio visual students learn and retain the concepts in their lifetime.

CURRICULUM

We provide academic activities as stress free, child centred & holistic education to all children without compromising on quality. The school follows the syllabus of the All India Secondary & Senior Secondary Examination of Central Board of Secondary Education (CBSE). Our school is affiliated as Senior Secondary in the Academic year 2020-2021. Well qualified and trained teachers handle senior secondary classes as per board norms.
